If you use your Password, you are bound by this Online Services Agreement and the other applicable provisions of the Online Services and Deposit Capture Agreement, each as amended from time to time. Your use of your Account is also governed by the Member Terms and any other agreements and disclosures relevant to your Account. b) We may terminate your access to and use of some or all of the transactions available through ONLINE BANKING and BILL PAYMENT without advance notice to you. You will be liable for any charges or penalties incurred while using ONLINE BANKING and BILL PAYMENT, until paid, even if you or the Credit Union cancels this Online Services Agreement or your access to any service described in this Online Services Agreement as well as Section 22 below

c) **System Requirements:** In order to use the ONLINE BANKING and BILL PAYMENT service, you agree that you must provide or obtain access to the following:

Either a printer or sufficient electronic storage space to print or download agreements and disclosures (including this Online Services Agreement and any notice or disclosure we send to you concerning any change to this Online Services Agreement, and any confirmation, notice, or other information provided or made available to you electronically on or through the Site).
- v. We may make information available to you electronically on or through the Site in HTML and Portable Document Format (PDF). To access information in PDF, you will need access to Adobe® (Acrobat®) Reader® or Apple Inc.'s Preview software or other Portable Document Format (PDF)-compatible software. Adobe, Acrobat and Reader are either registered trademarks or trademarks of Adobe Systems Incorporated in the United States and/or other countries.

3. Joint Ownership. If the Account is a Joint Account, obligations and charges binding on any one of you under the terms of this Online Services Agreement will be fully binding on each of you, and each of you will be jointly and severally liable for the use of ONLINE BANKING and BILL PAYMENT.

If more than one person is authorized to withdraw and transfer funds from the Account, we may terminate the privilege of using ONLINE BANKING and BILL PAYMENT or take other action upon the written request of one of you, without prior or subsequent notice to or approval by the other.

Payments must be scheduled to be made at least five (5) Business Days in advance of the payment due date in order for the payment to be received and processed in a timely manner by the receiver of the payment. Withdrawal from the Account may occur immediately after the bill payment request is received for processing or (if later) on the business day before the scheduled payment processing (transaction posting) date, in the Credit Union's sole discretion. You must have sufficient available collected funds in the designated Checking Account to cover the payment at the time the bill payment request is received for processing or (if later) the close of business the Business Day before the scheduled payment processing (transaction posting) date. We will not be responsible for any loss, penalties, or late fees you may incur as a consequence of late payment if the payment processing (transaction posting) date that you schedule to have the funds withdrawn from your designated Checking Account to make a bill payment is not at least five (5) Business Days prior to the actual due date for your payment, or if the designated Checking Account does not have sufficient available funds to cover the payment when the bill payment request is received for processing or (if later) at the close of business the Business Day before the scheduled payment processing (transaction posting) date.

Bill payments that are submitted for immediate or expedited processing cannot be canceled, skipped, or otherwise modified or changed after they have been submitted.
- xvi. Add a payee.
- xvii. Request an expedited bill payment (provided that you have agreed to the separate terms and conditions for expedited bill payments on the Site, and provided further that your request for an expedited bill payment is received for processing within the payee's specified time on the Business Day on which you want the expedited bill payment to be processed by the Credit Union and credited by the participating payee). If you request an expedited bill payment, you must have sufficient available collected funds in your designated Checking Account to cover the bill payment and the expedited bill payment transaction fee (in an amount disclosed to you prior to payment) at the time you scheduled the expedited payment. You agree that we will add such fee to each expedited bill payment you request (regardless of whether we are able to process the request and regardless of whether the participating payee is able to credit the payment on the requested Business Day).

b) Limitations for ONLINE BANKING and BILL PAYMENT Services:

- i. Bill payments must be in U.S. dollars.
- ii. We will not process payments on your behalf to payees meeting any of the following criteria:
 - ♣ Having an address outside the United States except for a military APO address.
 - ♣ Court-ordered payments such as alimony, child support, or speeding tickets.
 - ♣ Tax entities.
 - ♣ Collection agencies.
 - ♣ Securities transactions.
 - ♣ Designated by the Office of Foreign Asset Control as being a prohibited payee.
- iii. We are not required to process funds transfers to third parties if we reasonably believe or suspect those third parties may be engaged in a gambling business, including Internet or casino or other forms of gambling.
- iv. Maximum number of payees for a single user is 250.
- v. If we receive an expedited bill payment request for processing after the payee cutoff time of the business day on which you want the expedited bill payment to be processed, we may delay processing (or delay completing the processing of) the expedited bill payment transaction until the next business day (and the crediting of the expedited bill payment by the participating payee may also be delayed until the next Business Day).
- vi. If we are unable to process an electronic fund transfer to your designated payee, you agree that we may submit a paper draft to your designated payee for processing and payment.
- vii. You may not schedule a single bill payment for greater than \$25,000.
- viii. When scheduling a bill payment, please note the difference between the "SEND ON" date and the "DELIVERY BY" date. The "SEND ON" date is the date we will attempt to deduct the payment amount from your designated account. If the attempted deduction fails because you did not have

enough funds in your Account, we will send you an email indicating this situation. If the second attempted deduction is not successful, the transaction will be cancelled and you will be responsible for rescheduling. If the second attempted deduction is successful, the payment will be processed and remitted to the payee, however, the "DELIVER BY" date will be one Business Day later. If you receive an email because the first attempted deduction was not successful, you should access ONLINE BANKING and BILL PAYMENT to determine the date of the second deduction attempt. The "DELIVER BY" date is the date that you can expect the payee to receive your payment. The "DELIVER BY" date for your bill payment should be no later than the due date the payee has indicated for the payment. If a properly scheduled payment is not received and posted on time by the payee, you are granted a PAYMENT GUARANTEE. We will attempt to remove any late fees or assessed finance charges. (Finance charges are calculated based on your payment amount rather than your entire balance.) If the payee is unwilling or unable to remove them, we will pay the fees and finance charges directly to the payee. In addition, we will attempt to add a note of explanation to your account to ensure that the situation does not negatively impact your credit rating. The PAYMENT GUARANTEE only applies to late fees and/or finance charges associated with the late posting of a payment, provided the following conditions are met:

- ♣ The payment was scheduled to be delivered on or before the due date of your next bill, excluding any grace periods.
- ♣ The payment was not made to a prohibited payee in Section 4.b.ii. and 4.b.iii. above.
- ♣ The information supplied by you is correct (payee name and address, your name and account number as it appears on the payee's records).
- ♣ You had sufficient funds in your account during our first deduction attempt on the "SEND ON" date.

We will only be responsible for reimbursement of the direct fees or finance charges associated with the late payment. We will not be responsible for any other consequential damages that might arise from the late payment.

c) Available Transactions: IRA (INDIVIDUAL RETIREMENT ACCOUNT) and CERTIFICATE OF DEPOSIT ACCOUNTS. Unless your access to ONLINE BANKING and BILL PAYMENT has been restricted by the Credit Union, you may use your Password and ONLINE BANKING AND BILL PAYMENT to:

- i. Obtain Account balance information for certain designated Accounts. (Balances shown may include deposits still subject to verification and may not include deposits in progress, or other withdrawals, payments, transfers, or charges.)
- ii. Obtain Account transaction history for certain designated Accounts.
- iii. We may make other services available from time to time in our sole discretion.

5. Additional Information about Transaction Posting Dates for Visa Payments Made via Funds Transfer

a) Your Credit Union VISA® credit card account will be updated within two (2) Business Days following the posting date of a funds transfer from your designated Checking Account to your Credit Union VISA credit card account.

b) BILL PAYMENT transactions occurring on a weekend or holiday will be immediately deducted from your designated Checking Account. However, the scheduled payment will not be generated until the following Business Day.

6. How to Contact the Credit Union. If you have any questions about the ONLINE BANKING and BILL PAYMENT service or a specific transaction, or if you think your password has been lost or stolen or that an unauthorized transaction has been or may be made using your password, you may call us at 860-568-2020 or 800-842-0145, , or you may write to us at: American Eagle Financial Credit Union, Attn.: Electronic Services Department, 417 Main Street, East Hartford, CT 06118.

7. External Transfers Through Online Banking and Bill Payment. You can transfer funds to and from your designated Checking Accounts and certain of your eligible designated external accounts ("External Accounts") at eligible third party financial institutions. By using the External Transfers service of the ONLINE BANKING AND BILL PAYMENT system, you authorize the Credit Union to initiate individual and/or recurring debit/credit entries to/from (between) your designated Checking Account(s) and External Account(s) as indicated. For security purposes, you must first set-up an External Account at an eligible third party financial institution for External Transfers, before you will be able to transfer funds between that External Account and your designated Checking Account(s) using External Transfers. External Account set-up may take three (3) Business Days or more, and includes (among other things) having you verify to the Credit Union the dollar amounts and dates of two "test" micro deposits (each of less than one dollar) the Credit Union will make to your External Account. If you fail to verify the dollar amounts and dates of these two micro test deposits, we may for security reasons discontinue and cancel the External Account set-up and reverse the two micro test deposits. If you do verify the dollar amounts and dates of the two test deposits in a timely fashion, we will reverse the two micro test deposits and finish setting up the External Account.

a) After your External Account has been set up for External Transfers, External Transfer authorization for transfers between that External Account and your designated Checking Account(s) will remain in full force and effect until you cancel the transaction.

b) Each time you want to add a new External Account for External Transfers, we will use a similar verification process to the one described above, that may take three (3) Business Days or more.

c) If you have any questions about External Account set-up for External Transfers, contact the Credit Union by calling the Credit Union at the telephone numbers shown in Section 6 above.

8. Additional Limitations on Online Banking and Bill Payment Transactions. The following additional limitations apply to your transactions initiated using the ONLINE BANKING and BILL PAYMENT service:

a) There is a limit of six (6) transfer (including withdrawal) requests per month from each of your designated Savings Accounts using any combination of Command Call, ONLINE BANKING and BILL PAYMENT, and other preauthorized, automatic, telephone, or computer transfer services, including checks and debit card transfers paid to third parties. These limits are imposed by Federal Law.

b) For security reasons, there may be additional limits on the number or dollar amount of transfers you can request or make during a 24-hour period or a business day using ONLINE BANKING and BILL PAYMENT.

c) No Stop Payment On Electronic Transfers: Except for certain bill payment and External Transfer transactions that have a scheduled payment processing (transaction posting) date two (2) or more Business Days in the future, and certain preauthorized transactions described in Section 14 below, transactions made using ONLINE BANKING and BILL PAYMENT will be processed at the time you perform the transaction, and once an Online Banking transfer has been initiated by you and accepted by the system you generally cannot stop, change, correct, or modify that transfer. For example, a funds transfer request described in Section 4 above or an External Transfer described in Section 7 above that has been initiated by you and accepted by the system cannot be stopped, changed, corrected or modified. Bill payment transactions may be stopped, changed, corrected or modified only as described in Section 4 above. Certain preauthorized transactions described in Section 14 may be stopped as described in Section 14 below. Otherwise, if you have made a transfer in error, you may reverse the transaction by initiating a correcting transfer, or by having the recipient of the funds transferred in error initiate a correcting transfer. (Note: Except as described in Section 14 below, transfers cannot be corrected via ONLINE BANKING and BILL PAYMENT when made

as transfers/payments to loan accounts you have with the Credit Union. Contact the Credit Union if you require reversal of these transactions or need additional assistance. If you call, we may also require you to put your request in writing and get it to us within 14 calendar days after you call.)

9. Fees. We will add a fee (in an amount disclosed to you prior to payment) to each expedited bill payment you request, regardless of whether we are able to process the request and regardless of whether the participating payee is able to credit the payment on the requested Business Day.

a) Additional fees apply to your Accounts at the Credit Union, including Accounts that may be accessed through ONLINE BANKING and BILL PAYMENT. For example, we impose fees for stop payment requests. Please refer to the Schedule of Fees at <https://www.americaneagle.org/Savings-Checking/Fee-Schedule.aspx> for a list of current fees. We will provide you with notice of changes to the Schedule of Fees as required by law.

b) In addition to any fees that the Credit Union may charge you for its products and services, you may be billed separately by your online access or telecommunications provider, by your other financial institution(s) and/or payment recipients.

10. Overdrafts. You will have no right to, and will not use, the ONLINE BANKING and BILL PAYMENT service to create an overdraft. If an overdraft is created, you will pay to the Credit Union, promptly, the amount of the overdraft including reasonable attorney's fees, if incurred by us, in the event you fail to pay.

11. Member's Liability for Unauthorized Transactions and Advisability of Prompt Reporting. CONTACT US IMMEDIATELY if you believe your ONLINE BANKING and BILL PAYMENT password has been lost or stolen or that an unauthorized transaction has been made using your password. You can call to report such occurrences during our normal business hours by calling the telephone numbers shown in Section 6 above, or you can write to us at the address shown in Section 6 above. We may require you to confirm a telephone notice of loss, theft, or unauthorized use of your ONLINE BANKING and BILL PAYMENT password in writing sent to us within ten (10) business days of your telephone call. "Unauthorized" use of your password and ONLINE BANKING and BILL PAYMENT means the use of your password and ONLINE BANKING and BILL PAYMENT by a person other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. If you give your password to a third party, you are authorizing that party to make transactions and you will be responsible for any transactions made by such third party unless and until you notify us, in writing, that such third party is no longer authorized. If you fail to promptly report unauthorized transactions, you could lose all the money in your Account(s), including any applicable available balance in your overdraft line of credit or other credit account(s).

a) For transactions from business-purpose Accounts, you agree to be bound by any transfer made by use of your password, whether or not the transfer was authorized. (See the provisions in the "Agreement for ATM and POS Services" section of the document entitled "Business Account Agreement" concerning security procedures and liability for additional details.)

b) For unauthorized transactions from Accounts established primarily for personal, family or household purposes (consumer-purpose Accounts), your liability for unauthorized transactions will be as follows:

- i. If you contact us within two (2) Business Days after you learn of the loss or theft or unauthorized use of your password, you can lose no more than fifty dollars (\$50) if someone has used your password and ONLINE BANKING and BILL PAYMENT without your permission.
- ii. If you do NOT contact us within two (2) Business Days after you learn of the loss or theft or unauthorized use of your password and we can prove that we could have prevented the loss if you had contacted us in time, you can lose no more than five hundred (\$500) dollars if someone has used your password and ONLINE BANKING and BILL PAYMENT without your permission.
- iii. Notwithstanding the foregoing paragraphs a. and b. above, if a periodic statement for any consumer-purpose Account shows transactions that you did not make and you do not tell us within sixty (60) days after the statement was mailed (or electronically transmitted) to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have prevented the loss if you had contacted us in time.
- iv. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we may extend the time periods.

Please see the Error Resolution Notice and the unauthorized transfer provisions in the "Electronic Fund Transfers — Your Rights and Responsibilities" section of the document entitled "Member Account Information" for additional details about unauthorized transactions from consumer-purpose Accounts.

12. Access to Online Banking and Bill Payment. Access to ONLINE BANKING and BILL PAYMENT is twenty-four (24) hours a day, seven (7) days a week, except during maintenance periods and unplanned system outages arising from causes beyond our reasonable control. On a regular basis, we may perform maintenance on our equipment or system that may result in interrupted services or errors in the ONLINE BANKING and BILL PAYMENT service. In addition, we reserve the right to block access, at any time, to the ONLINE BANKING and BILL PAYMENT service to maintain or restore security to the system. From time to time, we also may change the scope of the services offered through the ONLINE BANKING and BILL PAYMENT service. We will attempt to provide prior notice of such interruptions and changes but cannot guarantee that such notice will be provided.

13. Right to Receive Documentation. No receipts for ONLINE BANKING and BILL PAYMENT transactions will be provided. These transactions will appear on applicable Account statements, and may also appear in the Account transaction history available through ONLINE BANKING and BILL PAYMENT.

14. Preauthorized Transactions

a) If you have arranged to have direct deposits or preauthorized transactions made to or from your designated Account(s) at least once every sixty (60) days to or from the same person or company, you can log on to ONLINE BANKING and BILL PAYMENT twenty-four (24) hours a day to find out whether or not the deposit or transfer has been made, or you can call us at the telephone numbers shown in Section 6 above during our normal business hours.

b) **Preauthorized Payments:** If you have told us in advance to make regular payments out of one of your designated Accounts, the following three paragraphs apply to these preauthorized regular payments:

- i. **Right to stop payment and procedure for doing so.** Call us at the telephone numbers shown in Section 6 above during our normal business hours, or write us at the address shown in Section 6 above, or log on to ONLINE BANKING and BILL PAYMENT, in time for us to receive your request three (3) Business Days or more before one of these regular payments is scheduled to be made. If you call or make your request through the Site, we may also require you to put your request in writing and get it to us within fourteen (14) days after your call or after your request made through the Site. (We will charge you for each stop payment order you give in accordance with our then-current fee structure. Please refer to the Schedule of Fees for our current stop payment fees.) **Please Note:** If you want to permanently stop all preauthorized regular payments out of your Account to another account or to another payee, you must specifically request this, and you must also notify the payee you have told us to pay. A stop payment request we receive from you, as described in the preceding paragraph, will only stop the particular payment to which it applies, unless you specifically instruct us otherwise. If you instruct us to stop these preauthorized regular payments permanently we will do so, but we may require you to send us a copy of your written notice to the payee you told us to pay.
- ii. **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, ten (10) days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

- iii. **Liability for failure to stop payment of preauthorized transfer.** If you ask us to stop one of these payments three (3) Business Days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages. We shall be liable for only actual proven damages if our failure to make the transaction was unintentional and resulted from a bona fide error despite our procedures to avoid such errors.

15. State and Federal Laws. The use of ONLINE BANKING and BILL PAYMENT, related Accounts, and any obligations incurred thereby shall at all times be governed by applicable federal laws and regulations and applicable laws of the State of Connecticut, without regard to Connecticut's conflict of law provisions.

16. Liability for Failure to Make Transactions. If we do not complete a transaction to or from your Account on time or in the correct amount according to our agreement with you, we will be liable for damages proximately caused by our failure. However, there are some exceptions. We will not be liable, for instance, if:

- a) through no fault of ours, you do not have enough money in the affected Account(s) to complete the transaction or the affected Account(s) has been closed;
- b) funds in the affected Account are subject to legal process or other encumbrance restricting such transaction;
- c) the ONLINE BANKING and BILL PAYMENT service was not working properly, and you knew about the system failure when you started the transaction;
- d) circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken;
- e) the transaction would exceed the funds available in the affected Account(s) plus any applicable overdraft line of credit;
- f) funds in the affected Account(s) are not yet available for withdrawal;
- g) you could have prevented the losses or damages by acting in a prompt and reasonable manner;
- h) information necessary to complete the affected transaction has been lost or you have not provided the correct payee information or amount;
- i) a payee mishandles or delays crediting payments sent by us;
- j) your password has been reported lost or stolen or your ONLINE BANKING and BILL PAYMENT privileges have been suspended or terminated;
- k) you have not properly followed the instructions on how to make a transaction;
- l) we or our agents reasonably believe that the transaction is unauthorized and based on such belief the transaction is not completed;
- m) the password or transaction information or other information you have provided is incorrect, incomplete, ambiguous or untimely;
- n) you are in default on an Account to or from which you are attempting a transfer;
- o) your personal computer and/or software malfunctioned for any reason; or
- p) the transfer or payment could not be completed due to a system unavailability or telecommunication or Internet Service Provider issue.

Please Note: There may be other exceptions stated in our Online Services Agreement with you. In any case, we shall only be liable for actual proven damages if the failure to make the transaction was unintentional and resulted from a bona fide error despite our procedures to avoid such errors.

17. Limit on Liability. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THIS ONLINE SERVICES AGREEMENT OR BY LAW, WE AND OUR OFFICERS, DIRECTORS, EMPLOYEES OR AGENTS ARE NOT RESPONSIBLE FOR ANY LOSS, INJURY, OR DAMAGE, WHETHER DIRECT, INDIRECT, SPECIAL, OR CONSEQUENTIAL, ARISING OUT OF THE USE MISUSE OR INABILITY TO USE THE ONLINE BANKING and BILL PAYMENT SERVICE.

a) EACH PARTY WILL BEAR THE LIABILITY OR RISK OF ANY ERROR OR LOSS OF DATA, INFORMATION, TRANSACTIONS OR OTHER LOSSES WHICH MAY BE DUE TO THE FAILURE OF THEIR RESPECTIVE COMPUTER SYSTEM OR THIRD PARTY COMMUNICATIONS PROVIDER ON WHICH EACH PARTY MAY RELY.

b) WE ARE NOT RESPONSIBLE FOR ANY LOSS, INJURY, OR DAMAGE, WHETHER DIRECT, INDIRECT, SPECIAL, OR CONSEQUENTIAL, ARISING FROM THE USE OF THE SOFTWARE OR THE EQUIPMENT YOU USE TO ACCESS THE ONLINE BANKING and BILL PAYMENT SERVICE, EVEN IF WE HAVE BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGES. WE MAKE NO WARRANTY TO YOU REGARDING YOUR EQUIPMENT OR THE SOFTWARE YOU USE TO ACCESS THE ONLINE BANKING and BILL PAYMENT SERVICE, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

c) WE WILL ALSO NOT BE RESPONSIBLE FOR ANY TRANSFER OF FUNDS THE PRIMARY PURPOSE OF WHICH IS THE PURCHASE OR SALE OF SECURITIES OR COMMODITIES REGULATED BY THE SECURITIES and EXCHANGE COMMISSION OR THE COMMODITY FUTURES TRADING COMMISSION.

THE INFORMATION CONTAINED OR ACCESSED FROM THE ONLINE BANKING and BILL PAYMENT SERVICE IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, OR ERROR-FREE OR UNINTERRUPTED SERVICE. REFERENCES TO CORPORATIONS, THEIR SERVICES, AND PRODUCTS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESSED OR IMPLIED. IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES OF ANY KIND, OR ANY DAMAGES WHATSOEVER RESULTING FROM LOSS OF USE, DATA OR PROFITS, WHETHER OR NOT ADVISED OF THE POSSIBILITY OF DAMAGE, AND ON ANY THEORY OF LIABILITY, ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF SUCH INFORMATION. DESCRIPTIONS OF, OR REFERENCES TO, PRODUCTS, SERVICES, OR PUBLICATIONS WITHIN THE ONLINE BANKING and

BILL PAYMENT SERVICE DO NOT IMPLY ENDORSEMENT OF THAT PRODUCT, SERVICE, OR PUBLICATION.

18. Password and Security. During your enrollment for the ONLINE BANKING and BILL PAYMENT service, you will be required to select at least an eight (8) character password, a personal image with caption, and answer three (3) challenge questions. You agree to keep your password, personal image with caption, answers to your challenge questions, and Account number in separate locations and to NOT reveal your password, personal image with caption, and answers to your challenge questions to anyone who is not allowed to access your Account(s).

- a) Do NOT write the password, personal image with caption, or answers to your challenge questions where another party can easily access it. When you select your own password, select one that is not easily guessed by another person. We reserve the right to block access to the ONLINE BANKING and BILL PAYMENT service if we reasonably believe your password is being used or may be used by an unauthorized user.
- b) The Credit Union may offer single sign-on functionality among and between its electronic banking products. Single sign-on would mean that you would only need to enter your password once to access multiple electronic banking products. The Credit Union views this as an added convenience to you, but it makes your protection of your password even more important because a third party who obtains your password may be able to access multiple electronic banking products.
- c) Access to BILL PAYMENT is through the ONLINE BANKING Service only.
- d) If you do not log on to ONLINE BANKING and BILL PAYMENT in any one-hundred and twenty (120) day period, we may deactivate your password for security reasons.
- e) If you try unsuccessfully to log on to ONLINE BANKING and BILL PAYMENT (for example, by using an incorrect password) more than three (3) times, your access to ONLINE BANKING and BILL PAYMENT will be blocked and will require you to select a new password.
- f) For security reasons, we recommend that you change your password at least once every thirty (30) days.
- g) For security reasons, there may be additional limits on your ability to access or log on to ONLINE BANKING and BILL PAYMENT.

19. Acceptance of Agreement. You understand that use of your Password and the ONLINE BANKING and BILL PAYMENT service will constitute acceptance of the terms and conditions contained in this Online Services Agreement, including the terms and conditions of Part III below, as amended from time to time.

a) Your acceptance of the terms and conditions will be deemed effective for as long as you use the ONLINE BANKING and BILL PAYMENT service. If you do not agree to the terms and conditions contained in this Online Services Agreement, you should not use ONLINE BANKING and BILL PAYMENT.

b) Your use of the ONLINE BANKING and BILL PAYMENT service may be made by use of certain numbers, codes, marks, signs, public keys, or other means of establishing your identity and acceptance of electronic communications, which are acceptable to us. All electronic communications that meet these requirements (including transactions received using your password) will be deemed to be valid and authentic and you intend and agree that those electronic communications will be given the same legal effect as if they were signed paper communications. You authorize us to act on transaction instructions received using your Password, and you agree that the use of your Password will have the same effect as your signature. You agree that electronic copies of communications are valid and you will not contest the validity of the originals or copies, absent proof of altered data or tampering. By using the ONLINE BANKING and BILL PAYMENT service, you consent to the electronic transmission of personal financial information.

20. Electronic Mail. The ONLINE BANKING and BILL PAYMENT service includes online access that enables you to send and receive secure electronic mail (e-mail) to and from the Credit Union. If you use e-mail to communicate confidential information to the Credit Union, be sure to use the secure email since other forms of e-mail may not be safe. Please remember that e-mail sent by you may not be immediately received by the Credit Union. No action will be made on any e-mail you send to us until we actually receive your message. In addition, no e-mail sent to us will be considered a written notice or request except to the extent specifically provided to the contrary in this Online Services Agreement in Section 2.a above.

Do not respond to or open attachments or click on links in unsolicited e-mails. If a message appears to be from AEFUCU and requests account information, do not use any of the links provided. Contact us using the information provided upon account opening to determine if an action is needed. We do not send customer e-mails asking for passwords, credit card numbers, or other sensitive information. Similarly, if you receive an email from an apparent legitimate source (such as the IRS, Better Business Bureau, Federal Courts, UPS, etc.) contact the sender directly through other means to verify the authenticity. Be wary of unsolicited or undesired email message (also known as "spam") and the links contained in them.

You must notify us at least ten (10) calendar days prior to the date on which you wish to have your ONLINE BANKING and BILL PAYMENT service terminated. If you telephone us we may require that your request be in writing or sent to us using secure electronic mail. If you have scheduled transactions with an effective date within this ten-day advance notice period, you also must separately cancel those transactions in accordance with the stop payment provisions set forth above. If we have not completed processing your termination request and you have not otherwise canceled such a transaction, you will be responsible for that transaction.

b) We may terminate at any time your use of the ONLINE BANKING and BILL PAYMENT service, in whole or in part for any reason, without prior notice. Your access to ONLINE BANKING and BILL PAYMENT will be terminated automatically if your Account(s) is closed or access to your Account(s) is restricted for any reason. Termination will not affect your liability or obligations under this Online Services Agreement for transactions we have processed or have begun to process on your behalf.
